

Video Recording options:

In this course you will need to submit a recording of your screen and yourself explaining the work that you have completed. To do this there are a few choices:

1. Use software that you already have that you are comfortable with to record yourself and your screen, [upload to YouTube](#) and then [submit your work](#).
2. Use software that you already have that you are comfortable with to record yourself and your screen, [upload to Echo360](#) and then [submit your work](#).
3. Use [Stream on your PC to record](#), [download the video to your PC](#), [upload to YouTube](#) and then [submit your work](#).
4. Use [Stream on your PC to record](#), [download the video to your PC](#), [upload to Echo360](#) and then [submit your work](#).
5. Use [Microsoft Teams on your PC to record](#), [download the video to your PC](#), [upload to YouTube](#) and then [submit your work](#).
6. Use [Microsoft Teams on your PC to record](#), [download the video to your PC](#), [upload to Echo360](#) and then [submit your work](#).

Video Submission Instructions:

For this assessment you are required to submit a video recording of yourself and your screen, a zip file and a pdf file. You will submit all 3 items in 1 submission point.

When you access the submission point you will see the following:
